

Reflecting on my learning

During my visit to the Anatolia College, ...

- I asked questions.

My question:

.....

- I created my own ideas.

My idea was to

.....

- I solved problems.

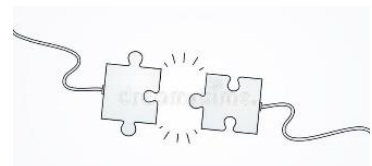

The problem I solved:

.....

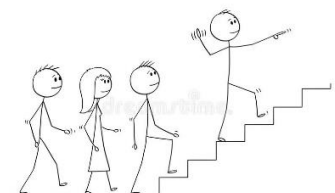

- I made connections.

The connection I made was between

.....

- I led a group.

Reflecting on my own understanding of the **Green Vibes** and the **Green Racers** programmes

What do I know and understand about the central ideas in the programmes?

Why do both include the word **green**?

.....

.....

.....

Did I answer all my questions?

.....
.....

What I am going to do with what I have learnt? How am I going to use it?

.....
.....
.....
.....

What would I do differently?

.....
.....
.....

How has my thinking changed?
