

The INTERCOMP activities

Meeting with the partners

1. Interim meeting in Berlin

The third interim meeting of the partners took place on June 16th in Berlin, Germany. The ICSSPE warmly hosted the meeting, and the partners discussed the management of the project and the upcoming activities. In this meeting a draft of the training tools was presented and the exchange of views among partners proved to be very useful for the development of these tools.

[1]

INTERCOMP participated in the annual conference of IACCP2023.

Academics with excellent research work, and PhD candidates from all over the world met to discuss the development of intercultural competence. Intercomp was presented in the conference and attracted the interest of the participants. Intercomp team liaised with the World Council of Intercultural and Global Competence! Intercomp researchers became members of the World Council and established the opportunity to inform other researchers about Intercomp project.

2. Interim meeting in Limerick

On January 25-26/2024 the fourth meeting of the consortium took place in the beautiful campus of Limerick University. The partners, in addition to the organizational issues of the project, had the opportunity to discuss ways to organize the implementation and the assessment of the educational tools. Partners also discussed how to disseminate the educational tools to as many teachers as possible and decided the dates of the 5-day workshop in Greece.

During the world ISF U15 Gymnasiade, which took place in Rio de Janeiro, in August 2023, in Barra Olympic Park, Mr Antonellos took the opportunity to introduce the INTERCOMP program to federations' leaders, coaches and athletes. He stressed the importance of the program and he invited all members to visit the INTERCOMP website for all future updates.
